Reasons: The Panel considered the directions in The Minister has previously made a payment to the Applicants under section 36 of the Act for the annual compensation due under a right of entry instrument dated May 25, 2000. The Applicants provided evidence that subsequent annual compensation is unpaid in relation to the same site for the years 2021, 2022. The parties remain the same, the Site has not been reclaimed and the Panel is satisfied that the payment is justified in this case.
