

LAND AND PROPERTY RIGHTS TRIBUNAL

Date: 2023-07-19

File No.: RC2021.2460

Order No.: LPRT904496/2023

In the matter of a proceeding commenced under section 36 of the *Surface Rights Act*, RSA 2000, c S-24 (the “Act”)

And in the matter of land in the Province of Alberta within the:
N 1/2-15-13-12-W4M as described in Grazing Lease No. GRL 33737 (the “Land”),
particularly the area granted for Alberta Energy Regulator Licence No. 0325085 (the “Site”).

Between:

AlphaBow Energy Ltd.,

Operator,

- and -

G.W. Murray Ranches Ltd.

Applicant.

SECTION 36(6) DIRECTION TO PAY

The Tribunal directs the Minister to pay out of the General Revenue Fund the sum of SEVEN THOUSAND and 00/100 DOLLARS (\$7,000.00) (the “Compensation”) to G.W. Murray Ranches Ltd. of Tilley in the Province of Alberta for compensation that became due in the years 2019, 2020, 2021 and 2022.

DECISION AND REASONS

[1] The Applicant filed an application under section 36 of the Act seeking recovery of unpaid compensation due under a Surface Lease Agreement (consent of occupant agreement) dated December 17, 2004 for the above site (the “Right of Entry Instrument”).

ISSUES

[2] The issues before the Panel are:

- (1) Which of the parties should be named as the Operator for the purposes of section 36 of the *Act*?
- (2) Is there money past due and unpaid by the Operator to the Applicant under the Right of Entry Instrument?
- (3) If money is past due and unpaid, is there any reason why the Tribunal should direct the Minister to pay a reduced amount?

- (4) Should the Tribunal direct the Minister to pay any of the amount owed to the Applicant out of the General Revenue Fund?
- (5) Should the Tribunal suspend and terminate the Operator's rights?

DECISION

[3] The Panel decides:

- (1) For the purposes of section 36 of the Act, the Operator is AlphaBow Energy Ltd.
- (2) Compensation of \$7,000.00 is payable to the Applicant by the Operator.
- (3) There is no reason to direct the Minister to pay a reduced amount.
- (4) The Tribunal directs the Minister to pay the full amount of the Compensation payable to the Applicant.
- (5) The decision to suspend or terminate the Operator's rights is reserved.

REASONS

[4] The Operator is as defined under section 36(1) of the *Act* and a reclamation certificate has not issued so the Operator is responsible to pay compensation to the Applicant.

[5] The Panel is satisfied that the demand for payment and notice to the Operator meets the requirements of the Act pursuant to s. 36(4) and the *Interpretation of Section 36(4) Surface Rights Act Guideline*, ABSRB 2020-1.

[6] After a review of the completed Application Form, signed declaration and supporting documents, the Panel is satisfied that the Compensation is owed by the Operator to the Applicant for annual payments due under the Right of Entry Instrument. This amount is calculated as four payments of \$1,750.00 due for the years 2019, 2020, 2021 and 2022.

[7] There is no evidence to convince the Panel that payment of the full Compensation would result in overpayment to the Applicant.

[8] The Minister is directed to make full payment of the Compensation out of the General Revenue Fund.

[9] The Panel is satisfied that the prerequisites to directing the Minister to pay under section 36(6) have been met.

[10] The decision to suspend or terminate the Operator's rights is reserved.

Dated at the City of Calgary in the Province of Alberta this 19th day of July, 2023.
